**Re: Change of Venue - Sidewalk Vending Community Meetings**

On December 2, 2014, the Los Angeles City Council, Economic Development Committee requested the Office of the Chief Legislative Analyst to solicit additional community input to assist with the decision-making process associated with sidewalk vending and vending in parks. To date, two meetings have been held, one is scheduled for this coming Thursday, June 18, 2015 in City Hall and the last one was scheduled to be at the Constituent Service Center in Council District 9.

However, due to the high level of interest in the community, the venue for the Thursday, June 25, 2015 meeting has been moved to a larger location. The meeting will now take place at the Watts Labor Community Action Committee – Phoenix Hall, 10950 S. Central Avenue, Los Angeles, CA 90059.

The time, date and location for the two remaining community meetings on sidewalk vending are listed below. I respectfully request that you inform your respective community members, including Neighborhood Councils.
